

Workshops held at Vidyagyan

There were many enlightening and informative workshops held at VidyaGyan from 25th June to 2nd July which aimed at enhancing and upgrading the knowledge and teaching skills of VG Faculties.

The details of these workshops are given below:

25th June, 2011

Child's Psychology and the Domains of Learning - by Mrs. Gauri Ishwaran and Ms. Reha.

A one day workshop was held on "Child's Psychology and the Domain of learning with reference to Multiple Intelligence and Innovative Teaching in Class" by Mrs. Gauri Ishwaran and her team. The session highlighted the aspects of effective teaching and also focused on the need for nurturing the learner, as one of the most important job of a teacher apart from imparting knowledge. It showed the teachers various ways and technique of making the kids more competent to encounter the challenges of the contemporary and the future world. The session also aimed at exploring the ways to make the learners more innovative and composed.

25th June, 2011

A session by Roshni Nadar-Film Analysis

The teachers were blessed with a very enlightening session with Roshni where the teachers were been shown a beautiful and touchy movie "the dead poet's society" which highlighted the fact that a teacher plays a vital role in a student's life, with reference to that a teacher should be more sensible while dealing with issues related to the learner's life. It beautifully brought into light the fact that a teacher is not just a provider of knowledge but he is much beyond that, as he is deeply associated with the emotional, spiritual and cognitive aspects of a child. These aspects were deeply analyzed and talked upon.

27th June, 2011- A session with Psychologist Ms. Sujata Chaterjee on Child's Psychology with reference to Hyper Active and Kinesthetic children.

This session beautifully brought into account the various composition of a class in terms of kinds of students in a class along with their learning style. She also sensitized us to provide the students with different learning opportunities to build their confidence and ensure an effective learning process in the class.

28th June, 2011

A session with Dr. Shipra Sarkar on CCE

Mr. Shipra Sarkar and Mrs. Nidhi Shrivastava conducted a workshop on CCE where she illustrated different aspects of CCE and imparted way to implement the tools. In this wake, she focused on the Scholastic and Co-Scholastic areas along with their respective rubrics. She also showed the teachers with examples the ways to deal with the Formative and Summative assessment. She stressed on the documentation of the records and information of a child's academic and non-academic performance. She also highlighted the conventional and contemporary methods of teaching. In totality the workshop was unique.

29th June, 2011

Know your Learner and Child Centric Pedagogy-Mr.V.P.Singh.

Though the main theme of this workshop was to teach Science with practical demonstration without using laboratory equipment, yet it was very interesting. He stressed on involving students in different activities while teaching instead of giving monotonous lectures in the class. He also stated the vitality of having a balanced Eco System.

29th June, 2011

Innovative and Activity based teaching-Mr.Manmohan Singh and Dr. Dharam Prakash

Dr.Dharam Prakash and Mr. Manmohan Singh highlighted the need of innovative teaching in today's world to make teaching more effective and interesting. They guided ways to be innovators in the classroom. They emphasized more on activity based teaching to initiate a concept, to provide opportunities for horizontal elaboration and to develop new procedures, skill and strategies.

1st July and 2nd July –Subject Specific workshops

There were Subject Specific Workshops on English, Maths, Hindi and Science taken by Subject Experts. All the subject specific sessions were very rewarding as the methods and contents were of great help to the teachers.
