About VidyaGyan Leadership Academy

Established in 2009 by the Shiv Nadar Foundation, VidyaGyan (www.vidyagyan.in) is a radical social experiment in nurturing leadership from among highly gifted rural poor children in Uttar Pradesh. VidyaGyan currently runs two schools in Bulandshahr and Sitapur and houses over 1800 students. VidyaGyan is not any other school for the underprivileged, but is a state-of-the-art leadership academy that addresses social imbalances and envisions nurturing and creating leaders who would be the inspiration and role models for their families, communities and society at large. The Foundation hopes that this will raise many more aspirations and contribute to leveling the urban-rural divide and inspire others to undertake more such initiatives.
