IMTISANGLA T | TUENSANG, NAGALAND | GRADE X

I was so happy when I got admission in VidyaGyan, since I had heard so much about the School. I have enjoyed the online classes very much. It was a new experience, but the Teachers showed us videos of the school campus and took us on a virtual tour. I got to know my classmates and we have kept in touch through whatsapp during lockdown.

TUNDUP DOLMA | LEH, LADAKH | GRADE IX

VidyaGyan has been an entirely new experience for me. Though, I was not physically present in the school, I already know so much about it. I have enjoyed all my classes specially, music and dance. The Teachers were so kind and accommodating even when I could not attend classes due to technical reasons. They were constantly in touch and at no point did I feel left out.
